1. About AOS

The society is national, has its statute and program. It is a voluntary union of the eye diseases specialists, that are Ophthalmologists with Albanian and foreign origin ,which work and live in Republic of Albania or abroad everywhere, over the world.

The aim of AOS :

Is to encourages initiatives for Research and Scientific work, to protect the rights of memberships and to strengthen connections and cooperation with analogous societies of foreign neighboring and regional countries, South - Eastern and West European countries, as well as, of USA.

2. Annual Meeting - Annual Conference:

The IXth National Congress of AOS (The Annual National Conference of the Albanian Ophthalmological Society), will be held, after 30 september 2025, at the Tirana International Hotel, in Tirana, Albania .

This event will be organized from Albanian Ophthalmological Society (AOS),. A rich and innovating program focusing on the development of Ophthalmology in our country and in others neighboring countries, will be presented, including lectures, round tables, free papers, clinical courses and video representations.

The congress will be attended from well known and distinguished Ophthalmologists from Albania and abroad, participating in lectures, round table, discussions, etc...

MESSAGE OF PRESIDENT OF AOS NATIONAL CONGRESS 2025!

Dear friends and Colleagues !

Albanian Ophthalmological Society (AOS) have the pleasure to welcome you at The IX-th Congress of AOS, in Albania, which will be organized at Tirana International Hotel, in Tirana, after 30 september 2025.

The Tirana already is a beautiful and charm city with historical and cultural valuable inheritance and with actual running modern developments. The Congress will be organized according to annual scientific plane of AOS.

We have prepared a small exiting scientific programme, which will be developed during conferences days. As always, we have collaborated with many subspeciality, ensuring contributions from the best experts in our country and from around the regional neighbouring countries as Italy, Greece, Kosovo, Slovenia, Macedonia, etc.

It is our aspiration to offer to the attendees, lectures, videos and to hear the news from this field and to realize the continual contacts, cooperation and exchange of the valuable knowledge, experiences with others honored colleagues from the developed and regional neighbouring countries, on purpose of blindnes prevention, as possibility as possible.

Pharmaceutical and technical companies will be present in our activity and will expose their latest developments. An interesting social program will be organized for delegates, foreign guests and their accompanying persons.

We are looking forward to meet you in Tirana, Albania. You are welcomed, in Tirana!

Yours sincerely,

The President of AOS Congress 2025.
